Final Exam Requirements

Dear students

This is to inform you that on 28 November 2025 the final exam is scheduled for the achievement of the title of the "First level Master "Earth Observations from Space: Advanced Technologies and Applications (EO-SAT)" a.y. 2024-2025.

Students enrolled in the Master, to be admitted to the final exam, must submit a specific [application](#) to be sent to the e-mail address master@unibas.it, by the 20th day before the date of the exam (deadline set for 10.11.2025).

By the same deadline, the payment of € 32.00 must be made, relating to two stamp duties of € 16.00 each, one for the application and the other for the issuance of the title, using, exclusively, the PagoPa Platform, in the “Segreteria → Pagamenti” section, at the link <https://unibas.esse3.cineca.it>.

The application must be accompanied by:

1. [scheda elaborato finale](#);
2. [dichiarazione sostitutiva dell'atto di notorietà](#) concerning the return to the University Central Library of any books obtained on loan;
3. [dichiarazione sostitutiva dell'atto di notorietà](#) concerning the cancellation from the ARDSU file.

After approval by the University Responsible of the Stage, and in any case no later than the deadline of 18.11.2025, the final version of the Project Work signed by the University Responsible for the Stage, the Company Responsible for the Stage and the student, must be sent in .pdf format to the e-mail address master@unibas.it. Two printed copies of the Project Work must be delivered to the Master's Coordinator on the day of the discussion.
