CALL FOR VISITING PROFESSOR 2023-2024 AT UNIVERSITÀ' DEGLI STUDI DELLA BASILICATA (Decree n. 651/2022)

The Università degli Studi della Basilicata has published an internal call for applications addressed to the Departments and Schools, in order to access the University's contribution on the available budget of € 108.460,60 for the funding of appointments to **Professors** or **Researchers** with a curriculum of high scientific qualification coming from **foreign universities, research or higher education center**. They are called to collaborate with one or more Departments/Schools to carry out teaching activities, including those of a seminar, as part of a course of study or PhD activated at the University of Basilicata for the a.y 2023-2024.

The period of stay of the **Visiting Professor** may vary from a **minimum of 30 days** to a **maximum of 24 months**. A continuous period of at least 30 days is required in any case.

The Visiting must conduct didactic courses or modules, including seminar courses, at Bachelor's, Master's and PhD degree levels, according to the academic calendar of forecasting of teaching activities for a.y. 2023-2024, 1st and 2nd semester.

The Visiting Professor will be awarded the following all-inclusive gross salary, based on the country of origin:

- **Euro 4,100.00/month** for Visiting Professor coming from foreign EU Institutions,
- **Euro 4,600.00/month** for Visiting Professor coming from non-EU foreign Institutions.

The Council of the Department/School or several Departments/Schools, upon the proposal of one or more professors, decides on the relevance of the professor's or expert's visit and on the acknowledgement of the title of Visiting Professor.

Deadline for the Department/School of the Università degli Studi della Basilicata: **March 10, 2023**.

For information and contacts, please refer to professors and researchers listed in the links below of the Departments and Schools of the Università degli Studi della Basilicata :
